## Communication to Families, Return to In Person Hybrid Learning Form

Dear Parkville Middle School Families,

As stated in the BCPS Reopening plan, families who have selected virtual learning or not responded to the return to school survey, will have ongoing opportunities to update their choices and choose in-person hybrid learning. Our staff will be able to accommodate requests, make necessary arrangements and work with transportation (if applicable) to ensure a smooth transition back to school. The schedule below is in alignment with the phased re-entry to school. If you would like to return to hybrid in-person learning, please submit your request at: [Parkville Middle School Return to In Person Hybrid Learning](#)

Please use the schedule below to identify request date windows and hybrid learning start dates for students. The specific start dates will be cohort dependent (Cohort A- Mondays and Cohort B- Thursdays). Families will receive a cohort assignment message before the first day of school.
