

Please Join the Parkville Middle PTSO for 2020-2021

As we begin this unique school year virtually, we are trying to find innovative ways to connect with parents, staff, and students. We want you to know that we are here for you and will continue to provide support in whatever capacity we can this school year. We always welcome your ideas, suggestions, and feedback! Below is a list of the many ways the PTSO enriches education at Parkville Middle School & Center of Technology:

- *Sponsoring Spirit and Family Night activities*
- *Supporting educational activities and classroom presentations*
- *Sponsoring Honorable Student luncheons*
- *Providing scholarships to former Parkville students*
- *Recognizing teachers and staff throughout the school year*
- *Providing teacher grants for educational purposes*
- *Providing funding for school wide improvement projects*

This year due to the pandemic we are offering a PTSO membership for all families and teachers for a flat rate of \$5.00! This is a dramatic reduction in cost as normally we charge \$10 for an individual and \$15 for a family. We hope that you will take this unique opportunity to become a member and join our community. Membership dues help us pay for and offset administrative costs, like insurance premiums, banking fees, supplies, etc.

The PTSO Meetings are held the third Wednesday of each month (September – June) at 6:30PM. Virtual meetings will be held via Zoom for the first semester of school or until the school buildings re-open. Links to attend the monthly Zoom meeting will be sent out via email a few days before each meeting.
